

Programmes outcomes, Program Specific Outcomes and Course Outcomes:-

Our college has clearly stated learning outcomes to students.

- 1) Created a platform of higher quality education for rural students.
- 2) Created social awareness amongst students through our college NSS programmes.
- 3) Promoted students in seeking jobs so as become economically stronger. Students and staff are made aware of these through various meetings, classroom teaching, interaction sessions, and through various curricular and extra-curricular and extension activities organized by the college.
- 4) The institution monitors the progress and performance of students throughout the duration of the course/programme through classroom lectures and internal assessment method.
- 5) Strict vigilance on attendance is kept, attendance registers are cheked regularly, and students who are falling short in attendance are contacted personally and if necessary their parents are also informed.
- 6) Feedback to students on their performance in each of the class tests presentations etc. are given by the concerned teacher from time to time.

7) After the declaration of University results, a result analysis report is prepared by every department. These reports are compared with the reports of previous years of monitor the progress of department and take corrective actions whenever necessary.
